

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

**CORRECTED
FISCAL NOTE**

SB 2413 - HB 3432

March 16, 2012

SUMMARY OF BILL: Requires, upon a law enforcement request, a wireless telecommunications service provider to provide call location information regarding the telecommunications device of the user to enable the law enforcement agency to respond to a call for emergency services. Requires the Department of Commerce and Insurance (TDCI) to obtain contact information for all wireless telecommunications services providers in the state. Requires the public safety answering point of the e-911 statewide system to assist a law enforcement agency to obtain call location information from wireless service providers only in an emergency situation involving the risk of death or serious bodily injury. Prohibits a cause of action against a wireless service provider acting in good faith when providing location information.

ESTIMATED FISCAL IMPACT:

On February 4, 2012, a fiscal note was issued estimating a fiscal impact as follows:

Increase State Expenditures - \$1,500/One-Time/Emergency Communications Fund

This impact was in error. Based on additional review, the estimated impact is:

(CORRECTED)

NOT SIGNIFICANT

Assumption:

- According to TDCI, implementing this bill will require a rulemaking hearing, which will be conducted during a regularly scheduled meeting. The impact is not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
